

Digital Marketing & Website Management Agreement

This Digital Marketing & Website Management Agreement ("Agreement") is entered into as of _____ (the "Effective Date") between:

GNL Digital Group ("Service Provider"), a sole proprietorship located at 53 Cabarrus Ave W, Concord, North Carolina 28025, and

James A. Warren Jr. / Warren Family Law ("Client"), located at 1001 Elizabeth Ave, Suite 2A, Charlotte, North Carolina 28204.

The parties acknowledge that Service Provider's principal has provided technology services to Client for approximately fourteen (14) years, and the parties enter into this Agreement on the basis of that established working relationship.

1. Services Provided

Service Provider will provide the following services during the active term of this Agreement:

- Website management and ongoing website maintenance
- Website hosting and technical website upkeep
- Local SEO optimization
- Google Business Profile optimization and management
- Google review strategy, reputation management, and review request implementation
- Ongoing client engagement and review outreach coordination by email and/or text message as authorized by Client
- Review request campaigns for current clients and selected former clients using contact lists provided or approved by Client
- Mobile optimization and website speed optimization
- Monthly website updates and content changes as requested
- Setup and configuration of an online consultation booking system that allows Client's prospective clients to schedule and pay Client's consultation fee online, including calendar integration, video-conferencing (e.g., Zoom) link generation, and a separate login for Client's designated staff member; the consultation fee is set, charged, and collected by Client through Client's own merchant account, and Service Provider does not collect or receive any portion of that fee. Any third-party subscription cost for the booking-system user logins is included in the monthly retainer at no additional charge to Client
- Custom pre-consultation intake form that paying consultation clients complete before their scheduled session, delivered to Client in advance so the attorney can review the matter and be prepared ahead of the consultation

- Contact-form and lead routing configuration so that website inquiries are directed to Client's designated staff member rather than Client directly
- Quarterly progress reports summarizing website performance, review growth, search visibility, and ongoing marketing efforts
- General consultation regarding online visibility, search presence, and digital reputation management
- Professional business email setup and transition assistance
- Microsoft 365, Outlook, calendar, and contact synchronization setup

2. Term of Agreement

This Agreement begins on the date signed below and continues on a month-to-month basis. There is no long-term contract or minimum commitment beyond the first month. Either party may end the Agreement as described in Section 4.

Optional fixed term: If both parties prefer, they may instead agree in writing to a fixed initial term of twelve (12) months by initialing here: Service Provider _____ Client _____.

Twelve-Month Term Bonus (applies only if the optional 12-month fixed term above is selected): If Client elects the optional 12-month fixed term, Service Provider will, at no additional charge, provide: (a) two (2) Grandstream IP desk phones and one (1) year of VoIP telephone service for use during the term; and (b) one thousand (1,000) printed business cards featuring a QR code linking to Client's website. The two phones and the printed business cards become Client's property and remain Client's to keep even if the Agreement is later terminated. The complimentary one (1) year of VoIP service is provided as an incentive for the 12-month commitment; if Client terminates the Agreement before completing the 12-month term, the complimentary VoIP service is voided and any remaining VoIP service for the balance of that year will be billed to Client at Service Provider's standard rate, though Client retains the two phones. Professional setup of the phones is included. These bonus items are provided only if the 12-month fixed term is selected; they are not included under the month-to-month arrangement.

3. Fees & Payment Terms

First-Month Onboarding & Implementation Fee: \$5,000.00, due upon signing. This one-time fee covers the initial build and setup work, including the new or rebuilt website, business email setup and transition, Google Business Profile setup/optimization, and initial SEO configuration.

Recurring Monthly Retainer: Beginning in the second month, Client pays a recurring monthly retainer of \$3,500.00. Payment is due on the same calendar day each month corresponding to the agreement date.

Payment Methods & Card Surcharge: Payments made by debit card or other no-fee methods are charged at the stated amounts above. Payments made by credit card are subject to a processing surcharge of three percent (3%); for example, the \$5,000.00 first-month fee paid by credit card totals \$5,150.00. The surcharge reflects third-party card-processing costs and is not retained as additional compensation to Service Provider.

Late or Missed Payments: If payment is not received within seven (7) days of the due date, Service Provider may pause services (including SEO work, updates, and hosting) until payment is current. Work resumes once the account is brought current.

Refunds: Because the first-month fee covers substantial up-front build work, it is non-refundable once that work has begun. Any prepaid but unstarted work may be refunded at Service Provider's discretion.

4. Cancellation & Termination

Either party may terminate this Agreement at any time with thirty (30) days' written notice. Client remains responsible for fees covering the 30-day notice period. Fees already paid for the current month are not prorated or refunded.

If the optional 12-month fixed term in Section 2 was selected, the 30-day termination right applies after that initial term is complete, and early termination is subject to the VoIP service provisions in Section 2.

5. Website Hosting & Ownership on Termination

Website hosting is included for the duration of the active Agreement. Upon termination, Service Provider will, upon Client's request and full payment of all outstanding balances, provide Client's website files and assist in a reasonable transition. Hosting under this Agreement ends when the Agreement ends; continued hosting may be arranged separately in writing.

6. Business Email & Productivity Setup

Service Provider may assist Client with professional business email setup, Microsoft 365 configuration, Outlook email setup, calendar synchronization, contact synchronization, iPhone/desktop email configuration, and general workflow modernization. This may include transitioning from legacy personal email use to a branded business email address, while allowing temporary forwarding to the existing email account during the transition. Email accounts and domains remain the property of Client.

7. Reputation Management & Client Engagement

Service Provider may assist Client with ongoing reputation management and client engagement efforts throughout the active term. These efforts may include professional follow-up communication requesting online feedback and Google reviews from current clients and selected former clients, including past client lists provided or approved by Client. Outreach may be performed by email and/or text message when appropriate and authorized by Client.

Client remains solely responsible for approving the contact list, confirming the appropriateness of any outreach, and ensuring that confidential or sensitive client matters are handled in compliance with all applicable professional and ethical rules (including any state bar advertising and solicitation rules and any applicable laws governing electronic or text-message communications). Service Provider will not offer incentives for reviews and does not guarantee any specific number of reviews, review rating, Google ranking, lead volume, or revenue increase.

8. No Guaranteed Rankings

Service Provider does not guarantee specific Google rankings, placement positions, lead volume, or business revenue increases. Search engine rankings are influenced by numerous factors outside the direct control of Service Provider.

9. Exclusions

This Agreement does not include general IT support, computer repair services, emergency technical support, or network/server administration unless separately agreed to in writing. The parties acknowledge that Service Provider's principal separately provides computer and technology services to Client under a distinct arrangement, and any such work is independent of and not governed by this Agreement.

10. Ownership of Materials

All website content, graphics, text, logos, and business-related materials provided by Client remain the property of Client. Any custom-created website materials developed specifically for Client during the term of this Agreement shall transfer to Client upon full payment of all outstanding balances.

11. Client Responsibilities & Cooperation

Client agrees to cooperate reasonably with Service Provider, including by providing timely content, approvals, access credentials, and any materials reasonably necessary for Service Provider to perform the services. Client is responsible for the accuracy and lawfulness of all content and contact lists it provides or approves. Service Provider is not responsible for delays, deficiencies, or results caused by Client's failure to provide timely cooperation, materials, or approvals.

12. Confidentiality

Each party may have access to non-public, confidential, or proprietary information of the other party in connection with this Agreement. Service Provider acknowledges that Client is a law firm and may handle highly sensitive and privileged client information. Each party agrees to keep the other party's confidential information in strict confidence, to use it only as necessary to perform under this Agreement, and not to disclose it to any third party without the other party's prior written consent, except as required by law. This obligation survives termination of the Agreement. Service Provider will not access, use, or request privileged client-matter information beyond what is necessary to perform the contracted services.

13. Indemnification

Client agrees to indemnify, defend, and hold harmless Service Provider and its principal from and against any claims, damages, liabilities, penalties, costs, and expenses (including reasonable attorneys' fees) arising out of or relating to: (a) any contact list, recipient information, or outreach instructions provided or approved by Client; (b) any communication, review-request, or solicitation activity that Client has directed, approved, or authorized, including any claim that such activity violated applicable state bar rules, advertising or solicitation rules, or laws governing electronic or text-message communications; and (c) any content Client provides for use on the website or in marketing materials. Service Provider agrees to indemnify and hold harmless Client from and against claims arising out of Service Provider's gross negligence or willful misconduct.

14. Limitation of Liability

To the maximum extent permitted by law, Service Provider's total cumulative liability arising out of or relating to this Agreement, regardless of the legal theory, shall not exceed the total fees actually paid by Client to Service Provider during the three (3) months immediately preceding the event giving rise to the

claim. In no event shall Service Provider be liable for any indirect, incidental, consequential, special, or punitive damages, or for any lost profits, lost business, lost data, or loss of goodwill, even if advised of the possibility of such damages. Nothing in this section limits liability that cannot be limited under applicable law.

15. Independent Contractor

Service Provider is an independent contractor and not an employee, partner, agent, or joint venturer of Client. Nothing in this Agreement creates an employment, partnership, or agency relationship. Service Provider is responsible for its own taxes, insurance, and business expenses, and retains control over the manner and means of performing the services.

16. Assignment

Neither party may assign or transfer this Agreement, in whole or in part, without the prior written consent of the other party, except that either party may assign this Agreement to a successor in connection with a merger, acquisition, or sale of substantially all of its assets upon written notice to the other party.

17. Force Majeure

Neither party shall be liable for any delay or failure to perform its obligations (other than payment obligations) where the delay or failure results from causes beyond its reasonable control, including acts of God, natural disasters, power or internet outages, failures of third-party service providers, labor disputes, governmental actions, or other events of force majeure.

18. Governing Law & Venue

This Agreement shall be governed by and construed in accordance with the laws of the State of North Carolina, without regard to its conflict-of-laws principles. The parties agree that the exclusive venue for any dispute arising out of or relating to this Agreement shall be the state courts located in Cabarrus County, North Carolina, and each party consents to the personal jurisdiction of those courts.

19. Entire Agreement

This document represents the entire agreement between the parties and supersedes all prior discussions or understandings. Any changes must be made in writing and signed by both parties. If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

Signatures
