This Agreement is entered into as of the date of signature below between GNL Digital Group ("the Provider") and you, the client identified above.

1. Service Plan

Select one of the following plans (check one):

SELECT	PLAN	YEAR ONE	INCLUDES
☐	Tier A Website	\$2,500 all-in	Custom-built website, smart survey-request intake form, and managed hosting, domain & business email.
☐	Tier B Website + SEO	\$3,000 all-in	Everything in Tier A, plus search-engine optimization and a private, branded live results dashboard you can access at any time.

2. Term

The initial term of this Agreement is twelve (12) months, beginning on the date of signature. This Agreement does not offer a month-to-month option. Continuation beyond the initial term requires you to sign a renewal for an additional twelve (12) month term as described in Section 4.

3. Payment

The Year One fee for the selected plan is due in full upon signing and is **non-refundable**. Payment is made via the secure payment link we provide. A standard card-processing surcharge applies to credit-card payments; debit and other methods are billed at the listed price.

4. Renewal

PLAN	RENEWAL (AFTER YEAR ONE)	TERM
Tier A — Website	\$99 / month	12-month commitment
Tier B — Website + SEO	\$199.99 / month	12-month commitment

Renewal is for a full twelve (12) month term. Renewal fees keep the website live and maintained and, for Tier B, continue ongoing SEO work and the live dashboard.

5. Domain Ownership

You own the domain name harrisburgsurveying.com. GNL Digital Group manages the domain — including renewals, DNS, and email configuration — on your behalf for the duration of this Agreement. The website design, code, and hosting remain the property of GNL Digital Group.

6. General

GNL Digital Group will deliver the services described with professional care. This Agreement represents the entire understanding between the parties and supersedes any prior discussions. It is governed by the laws of the State of North Carolina. Any changes must be agreed in writing by both parties.
